CONDIZIONI DI VENDITA

Il conferimento dell'ordine comporta l'accettazione delle nostre condizioni di vendita, qui di seguito riportate, che il committente dichiara di conoscere; eventuali modifiche, per essere valide, dovranno essere concordate precedentemente in forma scritta.

I prezzi si intendono per merce franco ns. magazzino, IVA esclusa, non sono impegnativi e possono venire modificati senza preavviso.

Le nostre fatture devono essere pagate in contanti alla consegna, al nostro domicilio di Alonte, salvo diversamente stabilito. Qualora in fattura venisse concordato un termine di pagamento, siamo autorizzati, per comodità di esazione, ad emettere una tratta o una ricevuta bancaria per il corrispondente importo alla scadenza.

Tratte, ricevute bancarie, cambiali, aperture di credito irrevocabili confermate, a copertura di fatture accettate o pagabili, anche se convenute ed emesse in luogo diverso, si intendono sempre salvo buon fine e, se non onorate alla scadenza, mantengono fermo ad ogni effetto l'obbligo del successivo pagamento delle fatture in contanti al nostro domicilio di Alonte. Procedimenti di trasmissione di valuta dall'estero verso l'Italia non comportano modifica all'obbligo del pagamento al nostro domicilio di Alonte.

Anche se riferito ad una data, il termine di consegna si intende approssimativo, salvo espresso accordo scritto dove esso diviene tassativo o essenziale. In ogni caso, Athena non è responsabile di ritardi dovuti a causa di forza maggiore, o indipendenti comunque da nostra volontà, quali incidenti, esplosioni, scioperi, disservizio postale, ferroviario, doganale, o di ogni altro mezzo di comunicazione o trasporto, rifiuti o ritardi da parte delle autorità a rilasciare licenze di importazione, esportazione o ritiro di licenze già rilasciate, difficoltà di approvvigionamento nei luoghi di produzione o altro ancora. In tutti questi casi, qualora la causa non comporti la definitiva impossibilità della fornitura, il termine di consegna, sia esso approssimativo o essenziale, si intenderà prorogato di una durata uguale a quella degli impedimenti che hanno causato il ritardo della fornitura.

Il mancato pagamento, anche parziale, di una fattura, oltre che l'addebito degli interessi di mora (vedi decreto legislativo 09/10/02 nr. 231), comporta l'automatica decadenza dei termini di pagamento e l'immediata esigibilità di qualsiasi fattura successiva, oltre al nostro diritto ad emettere tratta a vista per il corrispondente importo. Tutte le vendite sono effettuate con riserva di proprietà; pertanto, la proprietà dei beni venduti rimane del venditore fino al completo pagamento dell'importo dovuto.

La merce viene venduta franco magazzino di Alonte (VI) e viaggia a rischio e pericolo del compratore anche se resa franco destino. Qualunque reclamo per danni od omissioni inerenti al trasporto dovrà quindi essere fatto agli esecutori di esso. Qualsiasi tassa, imposta, dazio attuale o futuro, o aumento degli interessi è a carico esclusivo del compratore.

All'arrivo della merce, il compratore è tenuto ad esaminarla ed a verificarne peso, confezione, condizioni e caratteristiche poiché trascorsi 10 giorni dal ricevimento non si accettano eventuali reclami.

In caso di reclami resta fermo l'obbligo da parte del compratore del pagamento delle fatture alla loro scadenza, compresa quella cui si riferisce il reclamo. Qualora, previo accertamento da parte dei nostri tecnici, il reclamo risulti fondato ed il compratore sia in regola coi pagamenti, il nostro obbligo si limita al rimborso del prezzo indicato in fattura o, a nostra scelta, alla sostituzione della merce difettosa o non conforme precedentemente restituita. Il compratore rinuncia a qualsiasi risarcimento di danno o rimborso spese. Non si accettano resi di merce totalmente o parzialmente lavorata.

Il presente contratto, anche se concluso all'estero, la sua formazione, interpretazione ed esecuzione si intendono regolati esclusivamente dalle leggi italiane integrati dalle norme internazionali INCOTERMS nei testi redatti in lingua italiana.

Per qualsiasi controversia inerente al presente contratto sarà esclusivamente competente l'autorità giudiziaria, in particolare il foro di Vicenza.

CONDITIONS OF SALE

All our sales are subject to the following conditions of sale that rule all purchasing conditions, with the except of formal and express derogation of the company ATHENA. All received orders are considered as accepted by ATHENA only after the issue of a written order confirmation.

Our price list is based on Ex-works terms. All goods, even if delivered free of charge, are delivered at buyer's risk and peril.

All complaints on visible faults or on the non-conformity of the received articles shall be sent in writing within eight days from receipt of goods. In case of visible faults or non-conformity duly confirmed by ATHENA, the buyer will be granted the replacement or the reimbursement of the goods, with the exclusion of any claim for indemnity, damages or interests. By way of an exception ATHENA can accept the returns of goods for any other reason only by previous written agreement, if goods are sent in their original packing without being used and delivered free of charge within 15 days after receipt. ATHENA will accept these returns of goods and issue a credit note by deducting a lump sum of 15% on the invoiced amount. All goods returned without our authorization and not respecting the condition above given, even if they are received by our company, cannot be considered as part of this agreement.

Our goods are invoiced at the prices in force at the date of order receipt and shall be payable cash. Failing the written confirmation for any particular reason not attributable to us (including fax, e-mail, etc...) our goods will be invoiced at the prices in force at the date of our order confirmation. These conditions of sale may be modified if the buyer does not update his current bank and commercial references or if these are not more acceptable. By way of penal clause and according to the provisions of the law, all amounts due at their expiry date, which are still due 4 days after the bringing of a default action, will lead to a penalty for delay in payment equal to 2 times the legal interest rate which shall be applied to the remaining amounts due. In case of delay in payment, the company ATHENA can suspend any delivery.

To benefit from the guarantee, it is essential that the goods shall be assembled by a technician who has all necessary competence and tooling. The guarantee of the products we commercialise undergoes the Italian laws DPR224 of 1988 and D.Lgs. 24 of 2002. The guarantee is restricted to the simple replacement of goods without any other compensation cannot be claimed. The guarantee cannot be applied in the following cases: usage in competitions, inobservance of the assembling instructions, wrong usage, incorrect assembling. For each request of guarantee, all pieces shall be returned free of charge to ATHENA with a covering letter explaining the reason of the problem and a copy of the invoice or consignment note. For all request of guarantee concerning pistons, the cylinder shall be included in the parcel.

Legal and beneficial ownership of the goods shall remain at ATHENA until full payment for the goods has been made. In conformity with this clause, the issue of a certificate with obligation to pay (draft or other) does not constitute the payment. The lack of payment at any of the expiries due, even if agreed, can lead to the claiming to the goods. These dispositions do not constitute an obstacle to transfer to the buyer, right from delivery, to the risks of loss and deterioration of goods as well as the damages that may occur. Right from the resale, the buyer commits himself to settle immediately to the seller the remaining amount due, all delays of payment agreed upon with the signing of the contract become, by explicit will between the parties, invalid.

Any claim or dispute arising from the sales of goods, even if in case of guarantee appeal or majority of defendants, shall fall under the exclusive jurisdiction of the Court of Commerce within the competence where our company is situated.
